A Confirmation Retreat

February 27 - March 1, 2015
at Camp Hanover

In many ways, Confirmation is the beginning of the faith journey as a member of a church. Through this retreat, Confirmands will learn how prayer, scripture, and fellow Christians can aid them on this journey.

This event is designed to complement any church's Confirmation program, regardless of where they are in the process. Through keynotes, small group discussion, and time for recreation, youth participants will have the opportunity to interact with others going through the confirmation process. Sign up today!

The cost of \$90/person includes lodging, 4 meals, and all program expenses.
